

Cancer Town Hall Meeting 2008

Presented by the Georgia Cancer Coalition and
The Cancer Survivor Leadership Council of Georgia

The Newly Revised Georgia State Cancer Plan

Representatives from the Georgia Cancer Coalition will present Georgia's Revised Comprehensive Cancer Control Plan to the community. This five-year plan will influence the lives of Georgia citizens living with cancer, their families, and the community at large. Each person in attendance will receive a copy of the revised state cancer plan. There will be a Q&A period after the presentation.
